LED 4ft T8 Tubes

Our new and revolutionary MR Series T8 4' Glass tube offers significant energy-efficiency and lifetime improvements over fluorescent lamps.

Our high quality MR Series T8 lamps replace conventional fluorescent lamps in existing luminaires. This Type B version requires a ballast by-pass and can be used with either a single-ended or a double-ended power input.

- Up to 150 Lumens per Watt
- Full glass housing inhibits yellowing and distortion
- Uniform illumination with no visible LED pixelation
- Universal 120-277Vac 50-60Hz
