

UltraCruz® Equine Electrolyte

Guaranteed Analysis: per recommended daily amount (1 scoop; 54 g)

Calcium (min):	0.2%
Calcium (max):	0.3%
Salt (min):	72%
Salt (max):	75%
Potassium (min):	10%
Magnesium (min):	0.4%

Ingredients: Salt, Potassium Chloride, Magnesium Sulfate, Calcium Lactate, Potassium Sulfate, Apple Powder.

Recommended Use: For horses that partake in rigorous training and competition. Supports muscle development and post-exercise recovery and contains important minerals that help replenish electrolytes lost during strenuous exercise.

Feeding Directions: May be given in the horse’s feed or drinking water at the rate of 1 scoop (54 g) per 10 gallons of fresh water, or 1 scoop (54 g) in the horse’s daily feed ration in place of regular salt.

Servings based on an average weight of 1,000 lbs.

Warning: For animal use only. Keep out of the reach of children and animals.

NOTE: Please report any adverse side effects to Santa Cruz Animal Health and consult your veterinarian.

Storage: Store in a cool, dry area out of direct sunlight. Reseal tightly to maintain optimal freshness.
