

UltraCruz[®] Equine Electrolyte (Powder)

Guaranteed Analysis: per scoop (54 g)

Calcium (min):	0.15%
Calcium (max):.....	0.35%
Salt (min):	68%
Salt (max):	75%
Potassium (min):.....	4.5%
Magnesium (min):.....	0.3%

Ingredients: Salt, Potassium Chloride, Magnesium Sulfate, Calcium Lactate, Potassium Sulfate, Apple Powder.

For Equine Use Only

Recommended Use: For horses that partake in rigorous training and competition. Supports muscle development and post-exercise recovery and contains important minerals that help replenish electrolytes lost during strenuous exercise.

Directions for Use: May be given in the horse’s feed or drinking water at the rate of 1 scoop (54 g) per 10 gallons of fresh water, or 1 scoop (54 g) in the horse’s daily feed ration in place of regular salt. Based on an average weight of 1,000 lbs.

Caution: Not for use in animals intended for human consumption. If animal’s condition worsens, discontinue use and consult your veterinarian. Safe use in pregnant animals or animals intended for breeding has not been proven. An examination from a veterinarian is recommended prior to using this product.

Warning: For animal use only. Keep out of the reach of children and animals.

NOTE: Please report any adverse side effects to Santa Cruz Animal Health and consult your veterinarian.

Storage and Handling: Store in a cool, dry area out of direct sunlight. Reseal tightly to maintain optimal freshness.
