

# UltraCruz<sup>®</sup> Equine Electrolyte Paste

## Guaranteed Analysis: per syringe (75 g)

Calcium (min): .....	0.4%
Calcium (max): .....	1%
Salt (min):.....	30%
Salt (max):.....	37%
Potassium (min):.....	1.5%
Magnesium (min):.....	0.2%

**Ingredients:** Water, Sodium Chloride, Potassium Chloride, Dextrose, Kaolin, Magnesium Oxide, Calcium Carbonate, Xanthan Gum, Calcium Propionate (as a preservative), Green Apple Flavor.

## For Equine Use Only

**Recommended Use:** Supports muscle development and post-exercise recovery and contains important minerals that help replenish electrolytes lost during strenuous exercise.

## Directions for Use:

Feed one syringe (75 g) for normal use. For horses in moderate to heavy work give 2 syringes (150 g) daily.

**Caution:** Not for use in animals intended for human consumption. If animal's condition worsens, discontinue use and consult your veterinarian. Safe use in pregnant animals or animals intended for breeding has not been proven. An examination from a veterinarian is recommended prior to using this product.

**Warning:** For animal use only. Keep out of the reach of children and animals.

NOTE: Please report any adverse side effects to Santa Cruz Animal Health and consult your veterinarian.

**Storage and Handling:** Store in a cool, dry area out of direct sunlight.
