

# DECKED TRUCK TOOL BOX

## THE LAST TOOL BOX YOU'LL EVER BUY

### Industrial Durability

#### BOMBPROOF CONSTRUCTION

- Precision engineered
- Injection molded high-impact resin lid
  - Nearly indestructible
- 500lb+ dynamic payload capacity
- Anti-corrosion treated steel hardware and aluminum reinforcement
- Dent proof, puncture proof

### Super Secure

#### THEFT DETERRENT

- Robust lock and latch system makes forced entry nearly impossible
- Tub-lid interface minimizes theft pry bar points
- Single lock secures multiple latch points
  - Driver side keyed lock

### Waterproof

#### WEATHERTIGHT

- Impervious to the environment
- Seamless, watertight construction
- EPDM lid gasket
- Overbuilt tub lip-lid channel interface

### Glove-Friendly Entry

#### ROBUST LATCHES:

- Overbuilt, hand-size handles
- Large, easy-push latch buttons
- Driver side and passenger side access

### Torsion Spring Lid

#### NO BOUND-TO-FAIL GAS STRUTS!

- Torsion bar spring loaded lid
- Effortless lid opening and closing
- Spring tension keeps lid open

### Easy Access

#### ACCESS TOOLS FROM THE GROUND

- Optional nested ladder deploys for easy access
- Fits up to 60" tall truck bed rails
- Easy to install or remove ladder. Mounts from passenger side.
