

FOLLOW US FOR FUTURE PRODUCTS:

Pasture rotation grazing fencing, poultry tractors, permanent fencing and more!

Thank you for supporting small businesses!

“They are working great! Shaking it doesn’t make it spill. No feed loss here! So far we have had not a drop of waste! It’s Amazing!”

- Tracy R., Neenah, WI

“I give it great reviews. Feed waste is practically nothing. Chickens easily eat out of it. It never came off the feeder.”

- Gina D., Balsam Lake, WI
