

MORE WAYS TO BURN HOME FIRE PREST LOGS

Long Burning-Up to 12 hours

For best results, use a solid fire starter, always burn on 1 1/2 inches of ashes as logs may clinker and stack your logs as pictured below:

Place logs flat-side down
and starters flat-side up

OUTDOOR FIREPLACES OR
OUTDOOR FIREPIT
5 logs

LARGER WOOD STOVES
& FIREPLACE INSERTS
4 logs

BARBEQUES

Solid Starter

Wax Free-Made of 100% Recycled Wood
