! HELPFUL HINT

Do not fully tighten hardware until all components are assembled. If hardware is tightened too soon, mounting holes may not align, and parts may not easily fit together.

! WARNING !

CHOKING HAZARD — This item contains small parts that can be swallowed. Keep children and pets away during assembly.

ASSEMBLY

Review all steps and understand assembly before beginning.

Do not fully tighten hardware until all components have been loosely assembled.

NOTE: When installing lock nuts, the metal thread goes on first. Hand-tighten until you feel resistance, which is caused by the nylon insert. A wrench will be required to fully tightening the lock nut. **Do not fully tighten hardware until Step 5 is complete.**

STEP 1
