# MOSAIC GLASS GAZING GLOBE

Read this manual carefully and follow the care instructions. Save this document for future reference.

## IMPORTANT CARE INFORMATION

- Always place the gazing globe in a secure location where it will not fall or roll as that may cause it to break. If using a stand, ensure the stand can support the weight of the gazing globe.
- Do not allow water to accumulate inside the globe as it may damage the unit. If water has collected, remove the rubber seal and empty water. Allow the inside to dry thoroughly before replacing the seal.
- Do not use harsh chemicals or abrasive materials to clean the unit as they may damage the product and void the product warranty.
- Do not allow the gazing globe to freeze as it may cause the globe to crack or break; store indoors.

## CLEANING

1. Gently clean the outside of the gazing globe with mild detergent, water, and a soft cloth.
2. Rinse thoroughly and pat dry with a soft towel.

**Any modification to the product or failure to follow recommended care will void the product warranty.**
