

# SURE can

## UTILITY

MULTIPURPOSE TRANSFER TANK

**WATER · DEF · WASTE · TRANSFER**

**INSTRUCTIONS:** 1.) Remove Spout Cap by pressing down and twisting. 2) Rotate Spout into desired position and pull back thumb safety trigger & depress fully. 3) To stop, release thumb button. 4) Tilt Can to the spout side before rotating spout back up to the resting position.

**WARNING:** Do not leave water based liquids inside the utility can in freezing temperatures. Frozen liquids may cause damage to the internal parts and mechanisms. This will void the product warranty.  
**For non-fuel/non-kerosene use.**
