DXFRS300

Features

Benefits

UHF/FM	Ultra-clear long distance reception.
250,000 sq.ft./20 Floors Range	Up to 250,000 sq.ft./20 floor range.(Range will vary depending on terrain and conditions.)
22 Preset Channels	22 channels have been preset with privacy codes to minimize unwanted interference from others.
121 Privacy Codes	38 CTCSS (Continuous Tone Coded Squelch System) codes and 83 DCS (Digitally Coded Squelch) codes provide a total of 121 privacy codes. 2662 privacy combinations are possible when the 22 channels are combined with the 121 privacy codes.
VOX (Voice Activated Transmission)	User's voice is detected and the radio transmits without the need to press any buttons, freeing the user's hands for other tasks. 5 VOX sensitivity levels allow user to select at which point the radio will detect their voice.
Roger Beep Tone	Confirmation tone indicates the completion of the user's transmission, and signals others it is clear to talk.
Key Lock	Provides key pad security eliminating accidental channel changes when activated.
Power Saver	A unique circuit extends the life of your batteries. If there are no transmissions within 10 seconds, the unit will automatically switch to battery save mode.
Auto Squelch	Automatically shuts off weak transmissions or unwanted noise due to terrain or range constraints.
Blue Backlit LCD Display	Easy to view display provides the radio's status at a glance.
Speaker/Microphone/Jack	Allows use of wall charger, or earphone speaker/microphones (not included) for "hands-free" operation.
180° Swivel Holster	Secures your radio while on the go.
No Licence or Service Fees	High quality band frequencies with no fees.
Volume Knob	Allow user to adjust any volume level easily and promptly.
Charging Dock	Reversible charging mechanism designed for most convenient drop-in charging.
IP67 Rating	Dust Resistant & Waterproof
Shock Resistant	Can withstand 2M drop.
Limited Lifetime Warranty	Pledge to replace product that is defective in material or workmanship as long as you are the original purchaser.
Vibration Alert	Enhanced vibrating feedback to notify you of incoming transmissions.
Anti-Slip Design	For more assured handling, helps prevent from dropping the radio.
Ultra Long Runtime	Can continue to use 12 hours (90% Standby / 5% Talk / 5% Listen).
USB-C charging	Convenient for charging.
