JLA COMPACT LEVER HOISTS ARE SO COMPACT THEY WILL FIT IN YOUR LUNCH PAIL

With our all-new JLA Compact Lever Hoists, we lightened your load so you can increase your job site productivity. This new line of hoists features the smallest head room at each available capacity and shortest handle on the market, allowing you to move material in the tightest of spaces. We designed the JLA line to minimize lost time and outages backed by world class durability including anodized load plates and a fused brake design. Don't be fooled, these hoists deliver in strength despite being so compact.

NEW FREE CHAINING SWITCH

JLA COMPACT LEVER HOISTS

VERSATILITY

- Range in capacity from 3/4 ton to 3 ton
- Shortest handle on the market to get into tight areas
- Compact and light weight

DURABILITY

- World class durability with a 100 grade chain
- Fused brake reduces maintenance and carries a lifetime warranty
- Solid steel load plates

SAFETY

- Weston-style Double Pawl System for added safety
- Cast-steel safety latches will not bend out of shape like stamped steel latches
- This product complies with ANSI / ASME B30.21 and HAST-3 Standards
