## Refrigerated & Desiccant Air Dryer Warranty Statement

[www.emaxwarranty.com](http://www.emaxwarranty.com)

### EMAX Compressor makes the following Warranty guarantee:

- **Standard Warranty:** That each air dryer is free from defects in material, workmanship, and parts for 1 year from the date of delivery. This Standard Warranty includes full 1 year of warranty labor from an authorized technician. EMAX compressor is not responsible for downtime during warranty service. If downtime is necessary, it is at the owner's discretion, obligation, and expense, to have a redundant compressor. Parts shipped for warranty repairs shall only include ground freight charges for the first 90 days of the warranty period, thereafter owner is responsible for all freight charges of parts shipped for warranty. Any and all express shipping charges of warranty parts would be at the owner's expense.

***\*Standard warranty has no obligation to maintain warranty status, warranty will expire one year from date of delivery. Please see available options below to extend your warranty.***

**Extended Warranty:** EMAX compressor will extend your standard 1-year warranty to full 3 years when you opt to register for the extended warranty plan and purchase one Airbase dryer filter replacement kits per year along with following all routine maintenance set forth. Parts shipped for warranty repairs shall only include ground freight charges for the first 90 days of the warranty period, thereafter owner is responsible for all freight charges of parts shipped for warranty. Any and all express shipping charges of warranty parts would be at the owner's expense. Standard technical assistance is provided at no charge during and after the standard warranty period.

### ***Warranty Shall not apply and EMAX Compressor shall not be responsible nor liable for:***

- Routine service
- Downtime, nor any damages incurred during installation
- Consequential damages such as but not limited to cost of loss of business, product damage, or down time
- Acts of nature, over abuse, malicious destruction, improper maintenance, undersized equipment
- In the case the product has been discontinued at any point the \*Limited lifetime warranty will last five years past the discontinue date. EMAX Compressor has discretion to substitute parts with current model for the five-year duration.
- Deviation from operating instructions or specifications
- Any malfunction caused by failure or improper use and/or maintenance of other components manufactured by others
- Labor charges for repairs or maintenance
- Normal wear and tear parts

**Warranty shall be voided under the following conditions:** Exposing electrical components to rain or water, or installing the unit in a hostile environment such as acid vapors or any caustic or abrasive matter that may be ingested into the pump, or installing the unit in an enclosed area where lack of cooling ventilation is present, such as in boiler or equipment rooms where the ambient air exceeds 100F.

Further exclusions include failure to fully and completely follow the guidelines set forth in the manual. Of specific note is environments where fine dust is common, such as granite, marble or concrete plants, the compressor MUST be installed in a separate area with its own dedicated ventilation. **FAILURE TO PROVIDE THIS DUST FREE OPERATING AREA VOIDS THE WARRANTY.**

Parts used for warranty purposes must be supplied by EMAX Compressor. Warranty work should be performed by an EMAX Compressor approved Technician. If any maintenance (other than routine maintenance) is performed by a non-approved Technician, written pre-approval must be obtained from EMAX Compressor, to prevent voiding this warranty. Failure to fully comply with this warranty and fully comply with the manual instructions will void this warranty.
