LONG SNIP

Premiere Fishing Line Cutters

LONGER BLADES FOR EASILY TRIMMING FLIES

Add the Long Snip line cutters to your list of essential fly fishing equipment. With long cutting blades, the Long Snip is perfect for trimming braided fly lines, leaders, tippets, and tag ends for flies.

The stainless steel serrated blades cut clean and precise through mono, fluoro, and braided fishing lines. With the built-in carabiner, clip it to your jacket, vest or hip so it's always handy and never lost.

Snip the fishing line and let it go, the built-in tether retracts back into place until you need it again worry free.
