

52" 9-Drawer Mobile Workstation

w/ Height-Adjustable Wood Work Surface

Your tools. Your shop.™

Mobile Workstation: 965209S7

Crank it up!

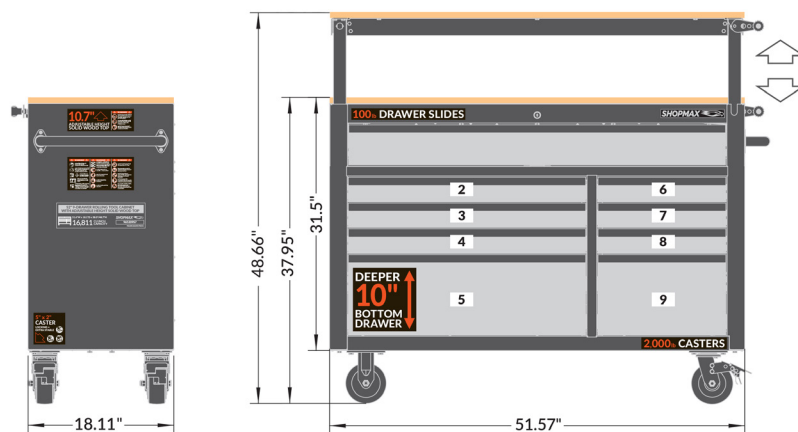

Talk about versatile! The **SHOPMAX® 9-Drawer Mobile Workstation** with adjustable height wood top is an ergonomic workbench/storage solution that brings your tools to you, allowing you to reach everything you need without bending over. While including all the features of other durable rolling cabinets, this workstation has an innovative system that allows you to raise and lower the work surface as you need. Heavy-duty casters and durable side handle let you move your workstation wherever you need it. Designed for heavy usage and maximum, secure storage, starting with an all-welded, 20-ga. steel construction, an industrial-strength powdercoated finish, and 2,000-lb casters.

- **16,811 in³** total storage space for all your hardware
- **51.57" W x 18.11" D x 37.95" H** combined outside dimensions (w/ top)
- **20-gauge all-welded steel construction**
- **Four 5" x 2" casters**, two swivel/locking and two static
- **100-lb capacity, soft-close ball-bearing drawer slides**
- **Soft-close drawers** never slam shut
- **Industrial strength powdercoat** paint finish resists scratches and peeling
- **Adjustable-height wood work surface** with durable, protective coating
- **Internal keyed locking system** w/ 2 keys

Outside dimensions and drawer numbers

Top to bottom storage

All drawers have ball-bearing drawer slides for smooth opening and closing, while rated for up to **100 lb** of tools and hardware. Each drawer also has a **soft-close mechanism w/ built-in secure latching system**, so drawers never

slam shut, tools stay where you put them, and the drawers will never slide open during movement or transport.

The two bottom drawers are deep enough to hold larger power tools or bulkier items; and the wide top drawer is great for organizing tool sets. The adjustable-height **solid-wood top w/ protective coating** makes for the perfect project work area in any position.

5" x 2" Heavy-duty casters

Push, roll, and lock

The side of the cabinet features the sturdy, steel tubular handle (below) for moving the workstation exactly where you need it. Then, lock it down with the heavy-duty locking casters and get to work!
