

BOSS TACTICAL™ COLLAR AND LEASH CLEANING GUIDE

- 1.** Fill a bowl or tub with warm water and a mild dish soap.
- 2.** Set your collar and/or leash into the water with dish soap.
- 3.** Use your fingers or a toothbrush to scrub away the dirt.
- 4.** Air dry on a towel until dry.

Pro Tip:

For extra tough stains try running it through the washing machine (cold cycle).
For best results place in a garment bag with a small towel

*Please use discretion with your washing machine to avoid damage.
Air dry on a towel until dry
