

COMPACT

REAR GRADER BLADE

TRACTOR HP REQUIRED
20-45 HP

IMPLEMENT WIDTHS
60", 72", & 84"

HITCH TYPES
CAT 1 QUICK HITCH

The compact Grader Blade is the ideal implement to handle farm and ranch grading and scraping needs. Sand, gravel and snow are no match for this implement with its pull-pin design, which lets the customer change the blade angles to suit their needs.
