

OVAL DURA 70

ICE TROUGH - Keep your beverages nice and chilled with the Oval Versa 40. This high-quality, galvanized steel stock tank cooler is rust resistant. Add an optional 28" tall tank stand (WTSL) to elevate your ice trough to a more convenient level.

PLANTER - Adding a new garden is easy with the Oval Dura 70. From flowers to vegetables, just add dirt and get to work with these galvanized steel planter troughs. The Oval Dura 70 is designed to hold 9 cubic feet of potting soil. A rolled rim top makes planting easier because there are no sharp edges to avoid. You can sit on the side of the trough and get to work.

WATERER - You know how important it is to keep fresh, clean water accessible to your livestock. With the Oval Dura 70, you'll be able to keep your animals hydrated. This galvanized steel trough holds up to 70 gallons. A rolled rim top means you don't have to worry about livestock coming into contact with sharp edges. This rust-resistant tank is made from the highest quality steel and designed to take on rowdy or unpredictable herds.
