

## OVAL ULTRA 170

### Short Description (Planter):

This planter will add a decorative, modern touch to any space.

### Product Copy (Planter):

The Oval Ultra 170 is built to last and is ready for any garden you have planned. These rust-resistant galvanized steel tanks are durable and reliable, so you can plant with confidence and peace of mind. With enough space to plant larger vegetables, these planters will add a decorative, modern touch to your farm or ranch. These stock tanks feature an easy-access plug to make draining and cleaning easy.

\*Dimensions are approximate and can vary by 4" because they are nested during shipping. Watch here for more details.

---

### Short Description (Waterer):

Easy to drain and clean. Holds up to 170 gallons of water.

### Product Copy (Waterer):

The Oval Ultra 170 is the ideal option for providing fresh, clean water to your livestock. It holds approximately 170 gallons of water. The rolled rim top means there are no sharp edges. This galvanized steel stock tank has an easy-to-use plug to make draining and cleaning quick and easy.
