NUTRI-DRENCH

Superior, nutrient rich, high energy support
No Digestion Required – Immediate Nutrient Balance
Delivers all vital nutrients to restore the immune system
in minutes!

David Seweld, Ft. Collins, CO

"Sheep Nutri-Drench is now my product of choice
for stimulating appetite in ketotic ewes.
In most cases, I see response within 4 hours."

Jerry Gray, Bozeman, MT

"My weak lambs are up and nursing
within 30 minutes."

Michael Beyer, Sidney, NE

"As a producer, I have witnessed weak lambs up
and nursing within 30 minutes after giving
Sheep Nutri-Drench."

Lindsey & Sons, Newell, SD

"Lambs down with white muscle disease were
clinically normal in 24 hours."

Roger Luhrs DVM, Gering, NE

"Sheep Nutri-Drench is very effective in increasing
success treating sick and surgical lambs."

MFA, Inc., Columbia, MO

"Excellent response was noted for weak lamb
syndrome, particularly in the difficult early
lambling season necessary to get to spring market,
and with pregnancy toxemia. Also, there is better
response to antibiotics."

Stress Dose: Give orally

Newborns: 4 cc at birth

Adults: 1 fl. oz. (30 cc) per 100 lbs. body weight
Maximum of 1 treatment every 8 hrs. for 3 days,
