! HELPFUL HINT

Inspect all assembly points to ensure all hardware is securely fastened before using the swing.

USE & CARE

SAFE USE: Bouncing, jumping and other excessive movement while using the patio swing may cause serious injury including, but not limited to, the swing tipping over.

INSPECTION: Ensure the unit is assembled correctly and all hardware is securely fastened.

SWINGING: While in a seated position with feet in contact with the ground, gently move the swing in a front-to-back direction.

CHILDREN: Supervise children at all times. Do not allow children to play or sleep on the swing.

EXPOSURE: Over time, sunlight and weather elements will degrade and change the color of cushions and the finish on the frame. Maintain cushion color and integrity by storing them indoors when not in use. Covering the porch swing with a breathable outdoor furniture cover while not in use will help protect it from the elements. Cover not included.

STORAGE: Store the cushions and canopy indoors when not in use. Cool, dry locations are recommended to prevent damage that may result from exposure to moisture. Covering furniture while in storage is recommended to help prevent dust build-up. Always ensure all fabrics are completely dry before storage.

SCRATCHES: The powder coating on the frame is tough and durable but, even with normal use, some scratching is inevitable. To avoid excessive rust, wipe scratched areas with a soft cloth to remove moisture.

CLEANING

Do not use harsh chemicals or abrasive materials to clean the furniture.

 HAND-WASH ONLY

 DO NOT USE BLEACH

 DO NOT USE A PRESSURE WASHER

Cushions/Canopy

- Brush or vacuum loose dirt from the cushions/canopy.
- Wipe down using a soft cloth and warm water.

Swing Frame

- Remove all cushions and canopy.
- Brush, vacuum or use a garden hose to remove loose dirt and debris. If using a hose with a spray nozzle, use gentle or medium pressure settings; using high-pressure sprayer may damage the construction and finish of the frame, and void the product warranty.
- Dry using a soft, lint-free cloth.

SAFETY STATEMENTS & WARNINGS

- Do not exceed the weight capacity of the furniture.
- Do not stand on any part of this item.
- Use care when getting in and out of the swing.
- Keep feet in contact with the ground while swinging. Excessive swinging movement can cause the swing to tip over.
- Remove and store the canopy during windy conditions to prevent uplift and/or tipping.
- Inspect the swing and frame to ensure all hardware is fully tightened before each use.
- Do not allow children to use this product without adult supervision.
