

# GENERAL CARE GUIDE FOR OUTDOOR CUSHIONS & PILLOWS

The life and appearance of your cushions and pillows greatly depend upon how you care for them. Preserve the life of your cushions and pillows by reading this guide and following the recommended care. Save this guide for future reference.

## USE & CARE

- ▶ All fabrics will eventually fade from sun exposure. Maintain fabric color and integrity by storing pillows and cushions indoors when not in use.
- ▶ Clean the fabric regularly to help preserve the appearance and prevent larger problems.
- ▶ Avoid exposure to water and always bring pillows and cushions indoors during inclement weather.

## CLEANING

- |   |   |   |
|---|---|---|
|  SPOT CLEAN/HAND-WASH ONLY |  DO NOT USE BLEACH OR SOLVENTS |  DO NOT TUMBLE DRY |
|  DO NOT DRY CLEAN          |  DO NOT IRON                   |  LINE DRY          |

### How to Wash

1. Vacuum or gently brush dirt and debris off the fabric.
2. Mix soap or mild detergent with lukewarm water.
3. Gently scrub using a soft cloth.
4. Rinse thoroughly with cold water, ensuring all soap residue has been removed. Soap residue left on fabrics will hold dirt, which can promote mildew growth.

### How to Dry

1. Press the cushion or pillow between dry towels to help absorb excess water.
2. Hang or prop against a wall and allow to thoroughly air dry.

## STORAGE

- ▶ Store indoors in a cool, dry place that is away from direct sunlight.
- ▶ Ensure all fabric and fill materials are completely dry before storage. Storing while wet can degrade the fabric and fill material and/or lead to mold and mildew growth.
- ▶ Covering while in storage will help keep prevent dust and dirt from building up and settling into the fabric.

### ! IMPORTANT INFORMATION !

- Do not use bleach, solvents or abrasive materials to clean this product.
- Do not machine wash or use a pressure washer to clean.
- Do not wring or roll to dry as it may damage the fabric and fill material.
- Never place in a dryer; the friction and heat from tumble drying will destroy the fabric and filling.
- Always ensure items are completely dry before placing on furniture.

**Any modification to the product or failure to follow recommended care will void the product warranty.**
