NOTICE

Please retain these instructions for future reference.

- Firmly secure all bolts,screws and knobs before use.
- Reconfirm that all bolts,screws,and knobs are secure every 90 days.
- Fasten screws loosely during initial assembly. Do not fully tighten screws until the item is completely assembled.
- Do not use or store this item in the proximity of open flame or flammable/combustible chemicals.
- Be aware that some parts are heavy and have sharp edges.
- Be aware that moving parts can injure,crush and cut.
- If any parts are missing,broken,damaged,or worn,stop using this product until repairs are made and/or factory replacement parts are installed.
- Do not use this item in a way inconsistent with the manufacturer's instructions as this could void the product warranty.
