## 21 pc. Gold Oxide Drill Bit Set

# 21 pc. Gold Oxide Drill Bit Set

### Features & Benefits

- Versatile general-purpose drill bit set – features gold oxide coating and standard shanks for wood, plastic and light-gauge metal
- Bits 1/8 In. and larger – feature 135° split points on the tips to reduce bit walking
- Gold oxide coating – provides longer bit life by resisting heat buildup
- Standard shank diameters – fits standard three-jaw drills, both corded and cordless
- Universal drilling applications – designed for general-purpose drilling in wood, plastic and light-gauge metal
- Bits smaller than 1/8 In. – feature 118° standard points on the tips
- Metal case – provides convenient storage
