

## The Sedona Collection

Get ready to update your outdoor oasis with the Sedona 6-Piece Chat Set from Hanover. This set is your newest destination for all things relaxation and includes a sofa, two side chairs, two ottomans, and a glass-top coffee table. Modern design meets natural textures, all made using hand-woven wicker accents and durable aluminum frames. The frames' stylish natural tones are anchored by the sharp contrast of the plush cushions, covered with weather-resistant outdoor fabric that is quick-drying and soft to the touch. Rounding out the collection is the smoked glass-topped coffee table, boasting the same mixed material construction and long-lasting, rust-resistant aluminum frames as the rest of the collection. Made of weather resistant materials, these pieces allow you to maximize your time outdoors, even when you have minimal space.
