2 Piece Silicone Griddle Food Dividers

Keeps Food Separated While Cooking!

UPC# 817096018532

Master PK 12

- Includes two 12" silicone food dividers
- Steel wire inside of silicone prevents warping on hot surfaces
- Easily keep foods separated while cooking on your griddle surface – prevents runny foods like eggs or bacon from combining with other items you are cooking
- Keeps foods separated based on dietary restrictions of your guests
- Dishwasher safe
