

## HL152

Add beauty and elegance to your outdoor decor with the stunning Eclipse Solar hanging Chandelier. Manufactured from durable metal construction and utilizing five high output surface mount LED's with real crackled glass, the Eclipse will cast a warm and unique array of light onto the surrounding area. The solar panel can be mounted to the ground, roof or wall up to 15' away for maximum sun exposure. The Eclipse solar chandelier is the perfect accent for a gazebo, walkway, deck, overhang and more.
