

# MoleX<sup>®</sup>

Ready-to-use with no mixing or spraying required, MoleX<sup>®</sup> is safe for use around trees, plants, and shrubs. When used as directed, MoleX<sup>®</sup> is landscape-safe. Place MoleX<sup>®</sup> according to package instructions in visible mole tunnels in lawns, ornamental gardens, flower beds, and non-crop grassy areas. Not for use above ground.

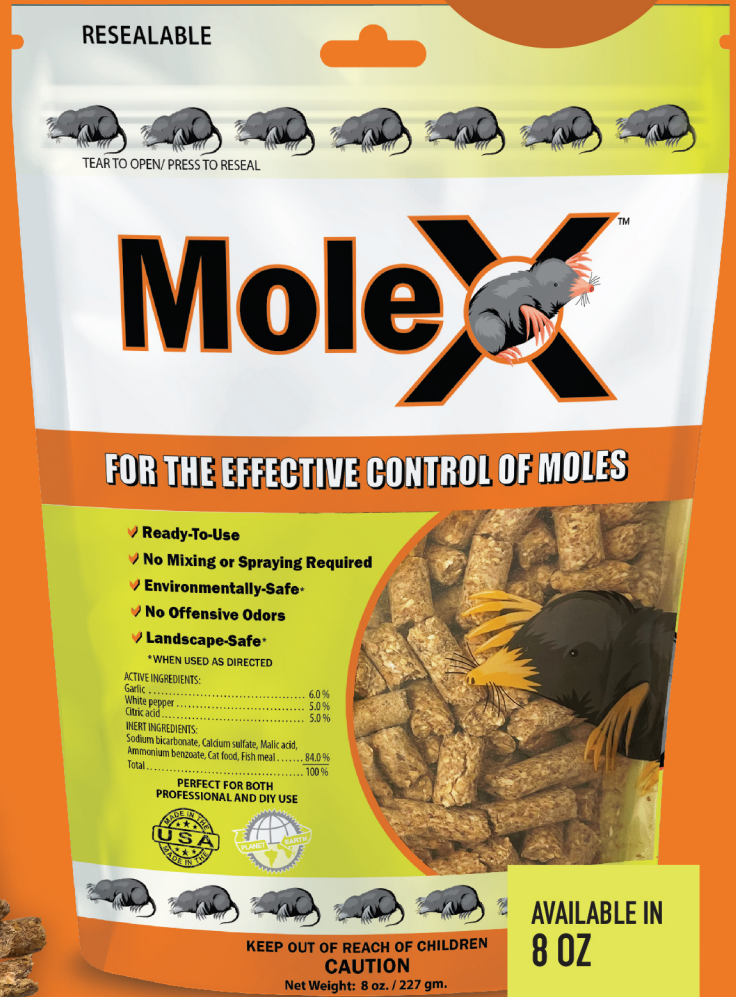

For safe, efficient & effective mole control, choose MoleX<sup>®</sup> Pellets.
