Peace of Mind Starts Here

At Hubble Connected, we're always dreaming and innovating with your Peace of Mind as our priority. That's why we're introducing Hubble Dream+, an ultramodern baby sensor mat that includes a 1080p Wi-Fi Video Baby Camera, allowing you to keep an eye on your little one anytime, anywhere. Made of a soft, breathable, hypoallergenic fabric, the baby mat was meticulously fashioned for your child's delicate senses. As they rest on Dream+, you can access live breathing and heart rate information, making it easier than ever to stay connected to what matter most. Hubble Dream+ also comes with a preinstalled local alarm system to detect abnormal vital readings.

Download the HubbleClub App to get the most out of Dream+. Upgrade to a HubbleClub subscription to access even more incredible features, including room temperature tracking via smart device and preloaded lullabies, soothing sounds and bedtime stories. The Full-HD, 1080p resolution and pristine Infrared Night Vision afford crystal clear monitoring, even in total darkness. Dream+ is reliable friend that makes bedtime easier for the whole family.
