## More Than Just a Baby Monitor

The future of emotional tech is here. The latest Hubble Connected family innovation, Nursery Pal Link Premium Twin, allows you to see, hear, and speak to your babies from anywhere in the world. This smart, two-camera set makes it crystal clear that baby monitors are no longer just for parents.

Digital zoom from your device to maintain the perfect view of your little ones while on-the-go. At home, make sure your sweet babies are comfortable with preinstalled room temperature monitor and soothe them with the calm sound of your voice using two-way talk communication. At bedtime, enjoy our state-of-the-art, HD picture quality in the dark with Infrared Night Vision. As they rest, you can help lull your children to a peaceful slumber as you control lullabies, audiobooks and nature sounds - all via the 5" handheld parent unit. With the HubbleClub App, you can enjoy this convenient collection of loving features and more. Upgrade to a monthly subscription for even more incredible perks, including motion triggered recordings, expert sleep advice, and parenting tips. You'll also receive sound and motion notifications to your device, as well as our advanced Baby Growth & Development Tracker, so you can always stay connected to what matters most. Give yourself the peace of mind you deserve with the Hubble Connected Nursery Pal Link Premium Twin.
