

Bristow Electric Fireplace

The Bristow Landscape Electric Fireplace is surrounded by a generous, elegant mantel with a unique storage shelf to display decorative split logs. Part of the Real Flame® Landscape Series, this widescreen electric firebox mimics the look of a real fire, but does not require a chimney or vents and conveniently plugs into a standard outlet. Features include six flame color options, an adjustable thermostat that provides supplemental heat and the option to run heatless flames for year-round comfort.
