

Benjamin Electric Fireplace

The Benjamin Electric Fireplace has a multifunctional design with a low, clean profile and shelving behind glass doors. This modern fire feature can be used as an entertainment center by placing a TV directly on or above the unit, or enjoy it as a decorative piece to safely display your favorite items. Part of the Real Flame® Landscape Series, this widescreen electric firebox mimics the look of a real fire, but does not require a chimney or vents and conveniently plugs into a standard outlet. Features include six flame color options, an adjustable thermostat that provides supplemental heat and the option to run heatless flames for year-round comfort.

Available finishes: White (shown above),
Weathered Wood

5110E

Assembled Dimensions:

- 81"L x 14.5"W x 26"H; 159 lbs

Technical Information:
