

Elephant Ear

Easy to Grow Instructions:

1. Dig a hole 3" deep.
2. Set the bulb firmly in place.
3. Cover the bulb with soil and water thoroughly. Do not allow soil to dry out.

Instrucciones Fáciles de Cultivar:

1. Cave un hoyo 8 cm profundo.
2. Coloque la bombilla firmemente en su lugar.
3. Cubra el bulbo con tierra y agua a fondo. No permita que el suelo se seque.
