Feature heavy. Cost light.

Everything you may need for tool storage – and powering your devices – is available in the **SHOPMAX® 52-in. 6-Drawer Top Tool Chest**. With a total holding space of 13,478 cu. in., you can organize everything you need for any-sized project. The two fold-out side handles made of welded steel help move the chest capacity of 800 lbs. You'll also get extra-heavy usage from an all-welded, 20 ga. steel construction. Has an internal, four-outlet power strip with two USB charging ports – perfect for charging your phone and keeping your laptop or hand tools charged and ready. The smooth-gliding ball-bearing drawer slides can handle up to 100 lb each, and will keep your tools in place when opening/closing. The built-in secure latch mechanism on the drawer slides prevents the doors from opening unexpectedly when moving the chest. The top lid is reinforced with a sturdy, stamped Shopmax logo, providing an extra layer of support to prevent warping and bending. Paint is a rust-resistant composition with a rugged, non-scratching rough finish.
