**Product Information**

2013-2022 Dodge Ram 3500 Hitch Bar Reverse Light Kits are the perfect addition to any vehicle. These kits include two bright LED reverse lights that easily attach to your vehicle's hitch bar, providing better visibility and safety when backing up. The lights are water and weather resistant, making them durable and long-lasting. Plus, the sleek and modern design ensures that they will look great on any vehicle. These kits are easy to install and come with all the necessary hardware and instructions. New 2013-CURRENT DODGE RAM 3500 Hitch Bar Lighting Kit is an amazing new patent pending solutions for your vehicle. With all the light options on the market today, none offer an OEM look while meeting the demands of Heavy Duty Trucks like this solution. Imagine a kit that is vehicle specific and installs in a short time, and gives you the reverse light you need seamlessly in the hitch location where it is strongest and makes the most sense. ALL HITCH BARS™ ARE PROUDLY PATENTED AND MADE
