LIMITED WARRANTY

De'Longhi Group warrants each product to be free from defects in material and workmanship.

Our obligation under this warranty is to provide free parts and labor on the entire unit for three (3) years from the date of purchase.

All products in need of repair are to be shipped to an authorized De'Longhi Group service center at the owner's expense, and De'Longhi Group will then incur the return shipping costs. For added protection and secure handling of any product that is being sent, we recommend you use a trackable, insured delivery method. De'Longhi Group cannot be held responsible for in-transit damage or packages that are not delivered to us. Lost and/or damaged products are not covered under this warranty.

This warranty shall apply only if the product is used in accordance with the factory instructions that accompany it, and on an Alternating Current (AC) circuit.

Within the warranty period, De'Longhi Group may, at its sole discretion, either repair the product with new or remanufactured parts, or replace the product entirely, either with a new or a certified remanufactured product at no additional charge. De'Longhi Group may replace defective parts with any serviceable remanufactured parts that meet the performance specifications of new parts for any applicable product.

This warranty shall not apply to any product that has been repaired or altered outside our factory, nor shall it apply to any product that has been subjected to misuse, negligence or accidents.

This warranty covers only products purchased through De'Longhi Group or one of De'Longhi Group's authorized resellers or distributors. This warranty does not cover any products purchased through an online auction site, a private seller (such as eBay) or non-authorized online reseller.

This warranty does not cover consequential or incidental damages. (Please note, however, that some jurisdictions do not allow the exclusion or limitation of consequential or incidental damages, so this limitation may not apply to you.)

This warranty is only valid for products purchased and used within North America* and shall not extend to any product not purchased inside North America.

How does country law apply?

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state/country to country. Some states/countries do not allow limitations on how long an implied warranty lasts, so the above exclusions may not apply to you.

Note: Check the warranty information contained in the product packaging and refer to the website for further warranty information.
