

MultiServe KF9150WH

BRAUN

Signature Features

ExactBrew System

The Exact Brew System delivers consistent, optimal brewing performance in every cup, automatically calculating the precise water flow, temperature and speed for every coffee preference.

Brew Choice Plus

Customize your coffee to your liking with the Over Ice, Light, Gold or Bold setting with the touch of a button.

SensorTemp System

Exclusive heating technology achieves SCA brewing standards quickly and keeps coffee at the perfect temperature, from the first to the last drop.

Specialty Coffee Association Golden Cup

SCA certification ensures optimal brewing performance to guarantee great tasting drip coffee with every brew.

MultiServe Dial

Choose your ideal brewing size, from a single cup to full carafe, with a simple turn of a dial.

Freshness Indicator

Always know your brewed coffee is fresh with the visible display.

Internal water spout

A separate yet built-in water outlet also lets you enjoy hot tea anytime, without worry of residual coffee flavor
