

Braun MQ7 Series

SINGLE-HANDED OPERATION:

- The world's first Easy SmartSpeed technology . Push gently for coarse and roughly chopped results and increase the push of the button for more power and finer results.

FASTER, FINER, RESULTS:

- The world's first ACTIVEBlade technology incorporates a flexible shaft that moves the blade up and down resulting in 2x finer blending.

SPLASHING IS UNDER CONTROL:

- Advanced SPLASHcontrol technology prevents splashing and delivers the best blending results to keep you and your kitchen clean. The MQ9 has 25% less suction for effortless handling and perfect control.

EXTRA BLADE FOR EXTRA POWER:

- The patented POWERBell Plus features an extra milling blade to provide more slices per rotation, blending large pieces and hard ingredients more easily.

SWITCH ATTACHMENTS WITH A CLICK:

- With the EasyClick Plus system, you can quickly change attachments as you prep.
