

Tame the Great Outdoors®

Compact Front Tine Tiller

MAX Performance. MAX Value. MAX Support.

Compact Front Tine Tiller

Compact but powerful, it cultivates the toughest soil, turns on a dime, easily fits between garden rows and features a 1-piece rust-resistant tine shield.

FEATURES & BENEFITS

- Depth control with drag stake makes it easier to turn and delivers a smoother till.
- Powerful 80cc YARDMAX engine delivers 180 RPM rotational speed.
- 1-piece sheet metal shield with reinforced punched slots for extended durability.
- Provides a tilling width of 11", 16" or 21".
- Tilling depths from 7" to 11" for intense, compact cultivation.
- Durable ball bearing gear drive transmission for prolonged use.
- Removable outer tines allow tilling in tight spaces, easily maneuvering in gardens.
- Easy-to-use, 3-position, adjustable-height handlebar controls operation on the fly.
