

9x24x22 Inch Diamond Tread Aluminum In-Frame Truck Tool Box

Buyers Part Number: 1705384

Provides low-profile access to tools and equipment on Class 8 trucks. Great for major semi truck brands including Peterbilt®, Kenworth®, International®, Freightliner®, Western-Star®, Volvo®, and Mack®.

- Mounts between the frame rails, providing low-profile access to tools and equipment.
- Universal design fits all major semi truck brands including Peterbilt®, Kenworth®, International®, Freightliner®, Western-Star®, Volvo®, and Mack®.
- Durable, corrosion-resistant .100 in. thick smooth aluminum with .125 in. thick diamond tread lid.
- Lid features perimeter gutter and automotive seal to keep out the elements.
- Adjustable stainless steel latch for use with combination lock or padlock (sold separately).
- Long lasting stainless steel hinge with high strength hinge pin.
- Includes mounting hardware.
- Made in the USA.
