

## 14x12x16 Inch Diamond Tread Aluminum Underbody Truck Box

Buyers Part Number: 1705148

Keep your tools safe from theft and weather while providing additional storage.

- Built tough with durable, corrosion-resistant, .100 in. thick diamond tread aluminum for extreme weather resistance.
- Box contents are secured behind a recessed drop door with continuous hidden hinge.
- Protect against weather and theft with the locking, die cast, compression latch system.
- Can be mounted on either a flat surface or under-bed (under-bed installation requires mounting brackets, sold separately).
- Built for long life with aircraft-grade cables and a replaceable gasket sealing system.
- Made in the USA.
