

14/10.5x12x30 Inch Black Steel Underbody Truck Box With Slanted Back

Buyers Part Number: 1703355

Secure storage with room for fuel fill hoses on single rear wheel flatbeds.

- The slanted back design allows room for fuel fill hoses on single rear wheel flatbeds.
- Box contents stay safe and secure behind a recessed drop door and continuous hidden hinge.
- Shut out weather and theft with locking, stainless steel latch.
- Can be mounted on either a flat surface or under-bed (under-bed installation requires mounting brackets, sold separately).
- Built for long life with aircraft grade cables and a replaceable gasket sealing system.
- The perfect balance of security and weather resistance with a durable 14 Ga steel body and black powder-coated finish.
- Made in the USA.
