

Haunted Hill Farm®

Enter, if you dare, into the horrifying world of Haunted Hill Farm. Be afraid. Be very afraid of our Beyond the Graveyard Collection. These ghastly ghouls and evil grim reapers are just what you need to turn your home into the scariest house on the block.

Nightstalker, the skeleton mummy reaper, hides in the shadow of darkness, looking for souls to steal. He's eager to greet any trick-or-treaters who dare knock on your door with warm white LED lights glowing under his dark, tattered see-through shroud. His red LED eyes pierce the darkness, searching for his next victim. Could that be you?
