

# Haunted Hill Farm®

Enter, if you dare, into the horrifying world of Haunted Hill Farm. Be afraid. Be very afraid of our Witches and Wizards Collection. These magical spell keepers are just what you need to turn your home into the scariest house on the block.

The Great Zoltan, an animatronic wizard, anxiously awaits the arrival of any trick-or-treater who dares knock on your door so he can read their future and give them advice. Although sometimes, he'd rather sleep than give advice.

He speaks 3 different phrases with magical sounds in the background while holding his color-changing magic ball. He moves his head and arms back and forth while his red LED eyes penetrate the darkness as if looking deep into your soul.

- Touch-activated animatronic
- Requires 3 AA batteries (not included)
- Includes an easy-to-assemble stand (body is fully assembled with an optional hanging loop)
- Indoor or covered outdoor display recommended for longer prop life
- All treat, no tricks with our 1-year limited warranty
