Partnering with Seasonal Visions International, a leader in Premium Halloween Animatronics, we bring you our Back from the Dead Collection—an assortment of past best sellers now available through Haunted Hill Farm. These engaging, motion-activated, full-bodied creatures focus on high-quality details and realism for the perfect addition to your creepy haunted house.

Endora, the Enchantress Witch, loves writing spells and reciting new incantations from her magical grimoire. She'll greet any trick-or-treaters who dare knock on your door, always looking for new victims to practice on. Spellbinding animation includes Endora moving her mouth as she speaks 3 evil spells while turning her body from side to side. Green LED lights from her open spellbook reflect onto her wrinkled pockmarked face, giving her a sinister glow.
