Partnering with Seasonal Visions International, a leader in Premium Halloween Animatronics, we bring you our Back from the Dead Collection—an assortment of past best sellers now available through Haunted Hill Farm. These engaging, motion-activated, full-bodied creatures focus on high-quality details and realism for the perfect addition to your creepy haunted house.

Ajal, the Graveyard Ghoul, travels from graveyard to graveyard across the country, collecting the skulls of dead people for his hoard. Beware, you never know when or where this ghoulish creature will appear next. His green light-up eyes and ribcage, plus his large pile of dungeon skulls, will frighten any trick-or-treaters who dare knock on your door.
