Partnering with Seasonal Visions International, a leader in Premium Halloween Animatronics, we bring you our Back from the Dead Collection—an assortment of past best sellers now available through Haunted Hill Farm. These engaging, motion-activated, full-bodied creatures focus on high-quality details and realism for the perfect addition to your creepy haunted house.

Cloud, the Looming Phantom, is an evil, shrouded reaper hellbent on death and destruction to any soul he meets, good or bad, young or old. "Your time on this earth has come to an end. I have come for your soul. Whether you sing with the choir invisible or wail with the demons of the underworld, I care not. Your soul is mine." Uh oh, run! Cloud will terrify your trick-or-treaters with his towering presence, ghoulish blue face, flickering lantern, and deep sinister voice.
