Partnering with Seasonal Visions International, a leader in Premium Halloween Animatronics, we bring you our Back from the Dead Collection—an assortment of past best sellers now available through Haunted Hill Farm. These engaging, motion-activated, full-bodied creatures focus on high-quality details and realism for the perfect addition to your creepy haunted house.

Mara, the Macabre Witch, is an evil ancient soul of the underworld allowed to roam freely upon the earth to terrorize the living. Careful, you never know when or where she'll turn up next. "Who be this tender morsel disturbing my slumber? Oh, why it's just a lost juicy lamb, ready for slaughter." This wicked skeleton witch will terrify any trick-or-treaters who dare knock on your door with her bony face and hands, towering 7.5-ft. stature, and glowing green eyes that pierce the darkness.
