Partnering with Tekky Toys, a leader in Premium Halloween Animatronics, we bring you our Back from the Dead Collection - an assortment of past best sellers now EXCLUSIVELY available through Haunted Hill Farm! These motion-activated, full-bodied creatures are the perfect addition to your creepy haunted house display with a focus on gory details and gruesome realism.

Poor Darcy, the Sitting Tombstone Girl, is allowed no peace as she sits on a headstone, haunting anyone who gets too close. Trapped between the living and the dead, this restless ghost child moves her head and swings her legs, showing off her Mary Janes. Her giggles will leave you wondering what she is up to. Is she a good ghost or an evil ghost? Only time will tell, so stay clear of the graveyard. She might follow you!
