Partnering with Tekky Toys, a leader in Premium Halloween Animatronics, we bring you our Back from the Dead Collection - an assortment of past best sellers now EXCLUSIVELY available through Haunted Hill Farm! These motion-activated, full-bodied creatures are the perfect addition to your creepy haunted house display with a focus on gory details and gruesome realism.

Allister, the Floating Skeleton Ghost, has risen from his grave to hover above his tombstone, beckoning and tormenting all those who cross his path to join him in his lonely misery. His green flickering LED lights and haunting ghostly sounds will send spine-tingling shivers through your trick-or-treaters. Always ready for company, this life-sized ghostly skeleton specter operates on 3 AA alkaline batteries (not included).
